

IUI Package (Intrauterine Insemination)

What is **IUI (Intrauterine Insemination)** ?

Intrauterine Insemination or IUI involves the insemination of sperm into the uterus during ovulation.

IUI is a less invasive, less expensive form of assisted conception, making it a first line treatment option for healthy couples facing infertility problems.

Package Includes:

1. Consultation Fee by O&G Specialist
2. Ultrasound Scan
3. Nursing Procedure
4. Specialist Procedure: IUI Procedure

Package Excludes:

1. All Medication Before & After IUI
2. Follow-up Consultation Fee
3. Take Home Medication
4. Other Investigations: Blood Test, ECG and etc

RM 1,300
